Profile

Second-year B.Tech student in Electronics and Communication Engineering at IIIT Allahabad with strong foundations in data structures, backend development, and full-stack web engineering.

Education

Indian Institute of Information Technology Allahabad	2024 – Present
B.Tech in Electronics and Communication Engineering	CGPA: 7.6/10 (till 2nd semester)
Sheiling House School, Kanpur	2024
Intermediate (ISC Board)	Percentage: 86%
Sheiling House School, Kanpur	2022
High School (ICSE Board)	Percentage: 92%

Personal Projects

Appointo – Full Stack Doctor Appointment Booking Platform [Github](#) — [Live Demo](#)

Tech Stack: MongoDB, Express.js, React, Node.js, JWT, Bcrypt, Cloudinary, Axios

- Engineered a high-performance **MERN backend** achieving an **average API latency of 142ms** for data-intensive endpoints, verified via **Postman benchmarking**.
- Streamlined JSON responses to a **2.1KB payload size**, reducing frontend data consumption and improving mobile page load times.
- Achieved **100% security compliance** with **0 critical vulnerabilities** by implementing **Bcrypt (10 salt rounds)** and stateless **JWT authentication**.

Personal Portfolio Website

Tech Stack:: Next.js 15 (App Router), TypeScript, Tailwind CSS, Framer Motion, HTML5 Canvas API

- Developed a responsive application using **Next.js Server Components**, achieving a **96/100 Lighthouse Performance score** and **100/100 SEO score**.
- Engineered an optimized **HTML5 Canvas particle system** maintaining a consistent **60 FPS** by leveraging **requestAnimationFrame** for GPU-accelerated rendering.
- Implemented **Next/Image optimization** and priority asset loading, reducing **Largest Contentful Paint (LCP) to 0.8s**.

Technical Skills

Languages: C, C++, Java, JavaScript, TypeScript

Web Development: HTML, CSS, React, Next.js, Node.js, Express.js, Tailwind CSS, Framer Motion

Databases: MongoDB, Firebase, MySQL, PostgreSQL,

Tools: Git, GitHub, VS Code, Cloudinary, Axios, JWT, Validator

Soft Skills: Communication, Leadership, Team Collaboration, Problem-Solving, Decision Making

Achievements

- Secured global ranks of **152**, **602**, and **237** in CodeChef Divisions 4, 3, and 2 respectively, out of more than **30,000**, **20,000**, and **15,000** participants.
- Solved **400+** problems combined on CodeChef and LeetCode, demonstrating strong problem-solving skills.
