Education

Indian Institute of Information Technology Allahabad	2024 – Present
B.Tech in Electronics and Communication Engineering	CGPA: 7.6/10 (till 2nd semester)
Minor in Entrepreneurship	

Sheiling House School, Kanpur	2024
Intermediate (ISC Board)	Percentage: 86%

Sheiling House School, Kanpur	2022
High School (ICSE Board)	Percentage: 92%

Personal Projects

Appointo – Full Stack Doctor Appointment Booking Platform [GitHub](#) — [Live Demo](#)

- Developed a MERN stack application to streamline doctor appointment scheduling, managing patients, doctors, and slots efficiently.
- Built responsive interfaces for patients and admins with secure authentication (JWT) and Cloudinary integration for scalable image storage.
- Implemented RESTful APIs using Node.js and Express, enabling seamless communication (Axios) and ensuring data integrity with Validator.

Personal Portfolio Website [GitHub](#) — [Live Demo](#)

- Developed a high-performance, responsive portfolio application built with React & Next.js (App Router & Server Actions), showcasing technical projects and professional experience.
- Designed a modern, interactive UI with Tailwind CSS and Framer Motion to enhance user experience across devices.
- Ensured the application is scalable and maintainable, with clean, modular code and TypeScript for strong type safety.

Technical Skills

Languages: C, C++, Java, JavaScript, TypeScript

Web Development: HTML, CSS, React, Next.js, Node.js, Express.js, Tailwind CSS, Framer Motion

Databases: MongoDB, Firebase

Tools: Git, GitHub, VS Code, Cloudinary, Axios, JWT, Validator

Soft Skills: Communication, Leadership, Team Collaboration, Problem-Solving, Decision Making

Achievements

-
- CodeChef handle: **dreamer24**; achieved a maximum rating of 1648 (3 Star).
 - LeetCode handle: **dreamer247**; achieved a peak rating of 1636.
 - Secured a global rank of 152 out of more than 30,000 participants in CodeChef Division 4.
 - Secured a global rank of 602 out of more than 20,000 participants in CodeChef Division 3.
 - Secured a global rank of 237 out of more than 15,000 participants in CodeChef Division 2.
 - Solved 400+ problems combined on CodeChef and LeetCode, demonstrating strong problem-solving skills.
